Introduction

“Albert Zips strives to be a bridge builder for customers considering the purchase of high quality zippers. We are fully committed to being a reliable and down-to-earth service partner, finding solutions that add long term value”

Albert Zips is a renowned company specialized in the design, production and marketing of a wide range of zippers. With more than 70 years of experience, we are a well established heritage brand.

Our extensive network of factories and offices provides us a thorough understanding of the international markets, enabling us to provide you with the best service, wherever you are located.

This service includes:

- Quick delivery
- Minimum order quantity with surcharge
- Dyeing in your own colours (dyed-to-match)
- Sampling service

Our DNA & Mission

Albert Zips are a well established supplier of zippers, providing excellent product quality and innovative designs.

We are a reliable, thoughtful and down-to-earth service partner, that builds bridges with worldwide customers. Our business practices on the basis of equality and social commitment, providing added value for the long term.

With many years experience in delivering high quality products to demanding customers, we have earned a reputation for innovative products of excellent quality, backed by the best service.

Sustainability

Recycled tape available on all the zippers.

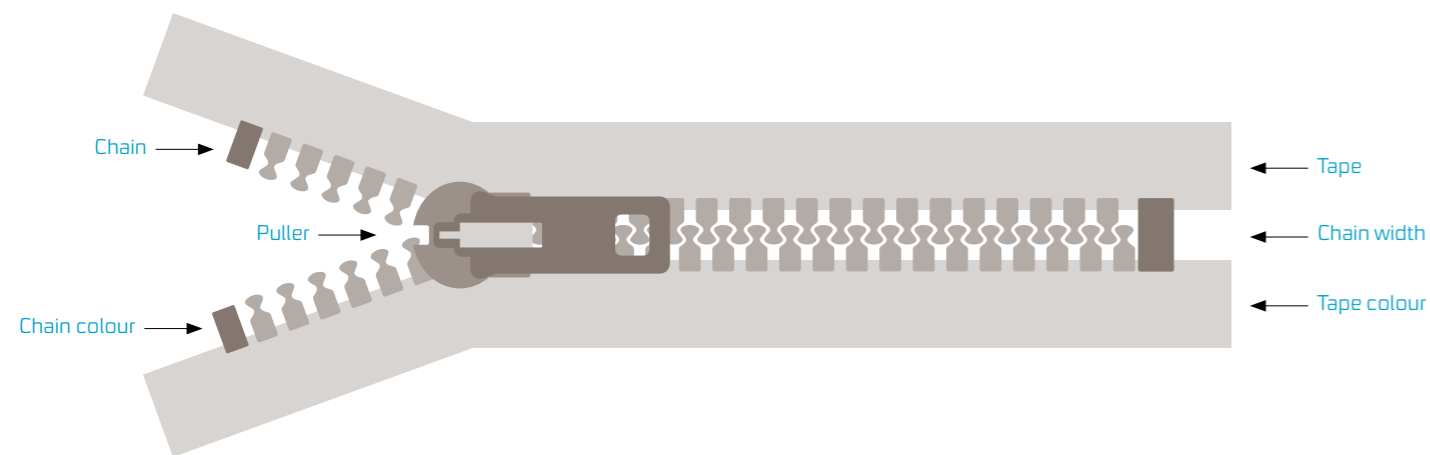

Quality control

Through careful selection of our partners over the years, we have been able to successfully maintain the caring family business attitude and ethic that was created some seventy years ago. We continue to build on our high reputation for quality care & service. The quality control departments in each production site are keys for delivering on this promise. Our factories are Oeko-Tex 100 class I, ISO 9001 accredited and our products meet or even exceed the requirements. We are able to provide independent test reports on all products and acknowledge your specific quality requirements. Simply ask us for the evidence you need...

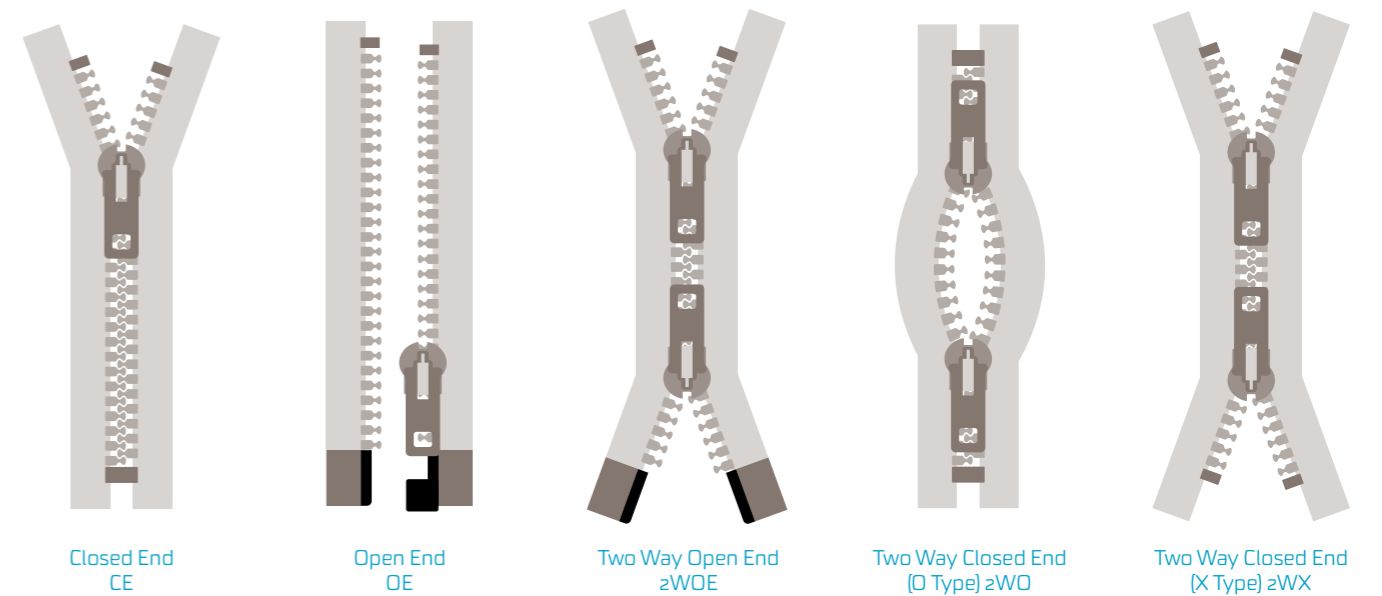

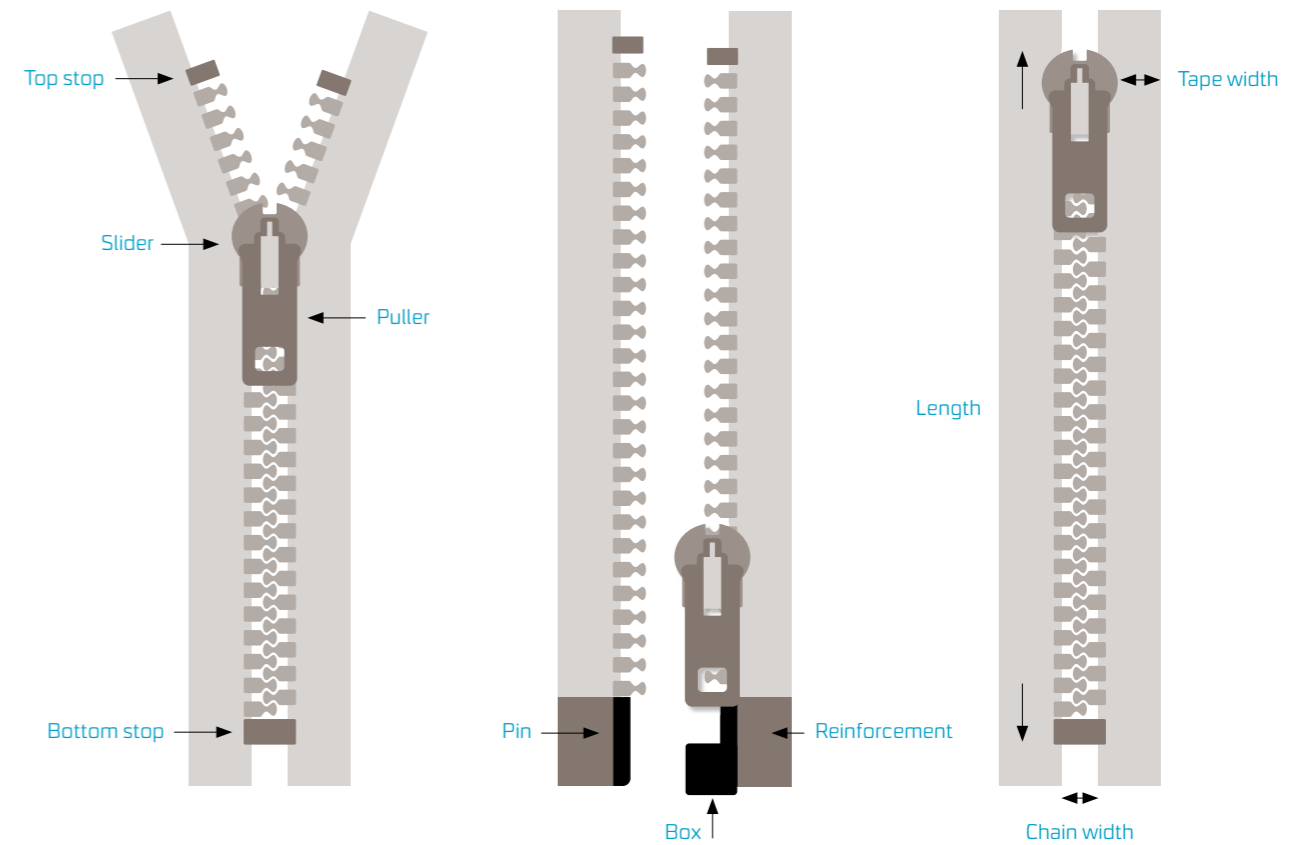

ISO 9001
Oeko-Tex 100 class I

Technical How to select...

Chain	Chain width	Finishing	Puller	Tape	Tape colour
Metal	4 mm	Closed End (CE)	See puller overview	Polyester	Albert Zips
Platina	5 mm	Open End (OE)	Choose your own	Satin	Colour card
Spiral	6 mm	Two Way OE [zWOE]		Design	Dyed-to-match [DTM]
Invisible	8 mm	Two Way CE O-Type [zWO]		Cotton	
Moulded chain	9 mm	Two Way CE X-Type [zWX]		Lace	
				Jeans	
				Customised	
				Water repellent
